D-35039 Marburg, Germany

The Journal of Adhesive Dentistry publishes scientifically sound articles of interest to practitioners and researchers in the field of adhesion to hard and soft dental tissues. Included are clinical and basic science research reports based on original research in adhesive dentistry and related subjects, review articles on topics related to adhesive dentistry, as well as invited focus articles with commentaries.

The Journal of Adhesive Dentistry is indexed in Science Citation Index Expanded, ISI Alerting Services, and Current Contents/Clinical Medicine.

Impact Factor 2016: 2.008
